- We kindly ask you do not visit the facility if you feel sick or have been in contact with someone that has tested positive for COVID-19 within the last two-weeks.
- Golf Course – The course is open for daily play beginning at 9am on weekdays | 9am on weekends (subject to change based upon daylight). Times are 12-minute intervals. You must have a tee time booked as we are not accepting walk-ons at this time. Approved pairings may ride in properly sanitized golf carts. If you have any concern riding with your playing partners, we recommend drivers should be selected and not alternate during the round to reduce similar touchpoints.
- The course has a limited number of extra carts available for golfers who prefer to ride solo.
- Pace of Play will be set at no more than 4 1/2 hours.
- Driving Range – The driving range is available for all players. The range will be set with 12 socially distanced hitting stations. We ask that players go to the range no more than 30-minutes prior their tee time to warm up. The short-game area is open daily but limited to no more than 4 people at a time. The range may be closed periodically due to weather, and maintenance.
- Food & Beverage – The Grove Restaurant is currently closed for indoor dining. To-Go orders may be available for purchase during business hours (Closed Mon-Wed, Thurs-Fri 3pm-9pm, Sat. Noon-9pm, Sun. 11am-4pm). Snack bar and beverages are available for purchase inside pro-shop. No outside food and beverage or personal coolers will be permitted on the property except for water as we do not have water coolers on the course at this time.

SAFETY RULES & REGULATIONS –
- All social distancing guidelines must be followed – 6’ distancing and no gatherings more than 10-persons
- Patrons must wear masks to enter the Golf Shop and Restrooms. Only 3 people at a time are permitted into the pro shop area
- Players must load and unload their own equipment on carts. We ask you remove all trash from carts after completion or your round – receptacles are readily available – prior to returning clubs to your vehicle
- Flagsticks may not be removed during play. All water coolers, and ball-washers have been removed from course. Cups have been turned upside down to prevent frequent touching
- Pencils, and scorecards will be placed outside of golf shop and handed out by the starter. Golf carts will be sanitized between rounds, focusing on high touch areas
- All “high touch areas” such as Golf Shop counter, credit card machines, door handles and restrooms will be cleaned frequently throughout the day

Oak Creek Golf Course appreciates your cooperation during this unprecedented time.
We look forwarding to seeing each of you!

Greetings,

Welcome to the 8th Annual Golfing for Education Tournament! On behalf of Prince George’s County Public Schools (PGCPS), I would like to thank you for your participation in this year’s tournament.

Events like these are critical in helping PGCPS advance our mission of expanding academic opportunity and supporting students in their pursuit of higher education.

Since 2012, The Excellence in Education Foundation for PGCPS, Inc. has awarded $1,064,500 to more than 300 PGCPS graduating seniors. For the 2021-22 school year, even as we emerge from a pandemic, our partners have not wavered in their support of academic excellence. I am proud to share that we will be awarding scholarships totaling $175,000 to 58 graduates this year. That’s the highest annual dollar amount and most student recipients in the history of the Foundation.

Your commitment to moving our school system forward, despite a challenging year, is remarkable.

The Golfing for Education Tournament is just one event that makes it possible for us to continue to offer scholarships and other quality educational experiences to deserving students. Your generosity and support is a direct investment not only in the future of our students, but in our community.

Thank you to our sponsors, distinguished guests, volunteers and collaborative partners for making this a wonderful day in support of the best cause — our students.

Best Wishes,

Monica E. Goldson, Ed.D.
Chief Executive Officer
Welcome, Friends!

On behalf of the Prince George’s County Board of Education, we extend to you a warm and hearty welcome to the Golfing for Education Tournament, hosted by the Excellence in Education Foundation for PGCPS.

For eight years, this event has helped to fund scholarships, academic programs and services for our students. Our school system enrolls some of our nation’s most talented and intellectually-focused students who represent the diversity of our global society. The Foundation contributes to our ability to provide a bridge to excellence for our children and enhance the blueprint for PGCPS’ future. We are encouraged by the growing umbrella of support raised over our children and school system by our parent, civic and business community. We thank the Foundation and its partners for providing innovative fundraising activities.

Since 2013, the Foundation has awarded over $1 million to 309 graduation seniors. The awards would not have been possible without the commitment and generosity of our business partners who understand the indispensable role of public education in the development of our county and its residents.

We offer our sincere thanks to the sponsors, distinguished guests, volunteers and collaborative partners for joining in this initiative and helping to make this a special day in support of a great cause – ensuring excellent education for our children.

Best wishes to all!

Sincerely,

Dr. Juanita Miller
Board of Education Chair

The Excellence in Education Foundation has established the Connect-PGCPS Fund to help offset the enormous cost of providing broadband internet and laptops to all students in Prince George’s County without internet service or devices. During this crisis, it is imperative that we provide quality online education to our students. Your donation to this important endeavor is critical to our students’ success.

We are grateful to all who have offered to help defray the cost of internet connectivity for students and families. Recently, a donor has committed $100,000 to ensure that every senior will have internet access for the rest of the school year.

*Raised as of 6/16/21: $254,064.91*
The Excellence in Education Foundation also supports students who cannot afford a hot meal during the school year. The PGCPS 10,000 Meals Challenge Fund was created to cover breakfast and lunch costs for students in need. You can help students focus on learning, not hunger, by donating to the Foundation today!

The 10,000 Meals Challenge has raised $205,127.23 to directly provide student lunches and offset lunch expenses for students.
