Questions Received	Responses
Division – 028200 – Asbestos Abatement – Please advise or confirm if the school has any lead paint? If so, please provide details. Please provide a list of PGPCS approved abatement contractors.	Please follow 1962.62 OSHA requirements on lead paint, and the school building has lead paint presence.
Drawing Sheet C-1 - Please advise if the existing fuel storage tank has any fuel, if so, provide quantities.	The tank has oil and it is in use, cannot be demolished.
If asbestos removal is included in this project , can you provide the locations and quantity of asbestos to be removed?	Contractor is responsible for all abatement work, and include the cost in the bid without any exclusions. The RedBook has been added to the google folder.

END OF ADDENDUM NO. FOUR (04)
