Notes:

1. The Offer Rates specified herein assume the execution of, and are subject to, the terms and conditions set forth in the envisioned Preferred Provider Agreement between the parties that contains terms and conditions that are acceptable to both parties. We also consider much of this information to be confidential, so please do not share this Proposal with individuals or groups outside of your corporation.
2. Please note that size exchanges and automatic garment replacement due to normal wear and tear are included in your weekly rental rates.
3. *** Indicates an Item of “Non-Standard Merchandise” hereby expressly made subject to the buy-back provisions in the Agreement. The application of direct embroidery, silkscreen, custom size emblems or non-standard placement of emblems to any Contract Item, or the application of emblems to the sleeve of any Contract Item, automatically classifies that item as a “Non-Standard Merchandise” item subject to the buy-back provisions specified in the Agreement.
4. All employees shall have the option of selecting either long or short sleeve shirts, or any combination thereof, if offered by item manufacturer, at the time of installation of Services at each Location; as thereafter only when garments are being ordered.
5. In certain instances, Auto Replacement Charges (“ARC”) may apply but any such charge is intended to cover ongoing replacements of lost items to maintain agreed upon inventory levels. Replacement items will be added to returned inventory to compensate for the possible misplacement of such items. It being understood, however, the ARC is only an estimate and that accordingly additional charges or credits (as the case may be) will be affected (as necessary), upon agreement of the parties acting in good faith, following a review of actual losses.
6. All Merchandise items and their associated service charges are based, unless otherwise noted, on standard Company sizes and colors.
7. The weekly rental rates listed above are quoted in individual units. The weekly rental charges associated with the utilization of each such item will be flat rated and invoiced based upon the “Billed Quantity” indicated on the service invoice, whether or not such quantity is actually delivered in a given week.
8. If the Merchandise supplied is visibility wear, it is intended to provide improved conspicuity of the wearer under daylight conditions and when illuminated by a light source of sufficient candlepower at night. It is Customer’s responsibility to determine the level of conspicuity needed by wearers under specific work conditions. Further, Customer agrees that the garments alone do not ensure conspicuity of the wearer and that additional safety precautions may be necessary. The garments supplied satisfied particular ANSI / ISEA standards only when they were new and unused and only if so labeled. Customer acknowledges that usage and laundering of visibility Merchandise will adversely affect its conspicuity.
9. The charges for Awarded Vendor’s Products and Services, shall be outlined in the Textile Rental Services Agreement (the “Agreement”) between Sourcewell and Vendor. Vendor agrees to initially offer to each Sourcewell Member listed on the Participating Sourcewell Member Location Schedule, to be attached to and incorporated into the Agreement by reference, the prices then authorized by this Agreement. It being understood, however, that the prices paid by each Sourcewell Member, over time, will be determined solely by the terms specified in each Sourcewell Member Contract.

Participating Entities shall have the right to aggregate the purchasing volume of all its Locations in order to meet

the desired volume tier. The prices shall not be reduced retroactively; and, for purposes hereof, the phrase “weekly rental revenues” shall be defined to mean the total weekly invoice value, less any sums invoiced for loss / damage replacement, garment preparation, emblem, outsize garment, DEFE, minimum service charges, sale of disposable products, well as any applicable sales /use taxes.

B. Direct Purchase. The prices initially in effect under this Agreement, “Tier 1 Pricing” will be reduced by three percent (3%), “Tier 2 Pricing”, for each of Customer’s Participating Entities once the total direct product purchases of each such Participating Entity exceeds \$104,000.00 per calendar year. Participating Entities shall have the right to aggregate the purchasing volume of all its Locations in order to meet the desired volume tier. With regard to the Services procured hereunder the specified administrative fee will be paid net of any garment preparation, emblem, loss/damage, minimum stop the truck or applicable DEFE (Delivery, Energy, Fuel and Environmental) surcharges. Said administrative fees are to be paid within thirty (30) days after the end of each calendar quarter and commencing on the effective date of this Agreement.
12. All rental/service and other charges are due and payable thirty [30] days from the date of invoice.
